2024

Axis Connects supports and accelerates the advancement and recognition of gender diversity throughout Calgary's business community.

Since our inception in 2019, Axis has grown its network to over 5,000 and has a broad reach throughout corporate Calgary and beyond. We recently integrated with **Board Ready Women** with the objective of accelerating impact through a collaborative partnership.

Together, we are:

- Advocating for gender diversity in senior leadership and on corporate boards.
- Celebrating the achievements of women through the annual Calgary Influential Women in Business Awards.
- Creating networking events, mentorship and partnership opportunities, and tailored workshops that advance professional skills at mid to senior career levels (Axis Connects) and board opportunities (Board Ready Women).
- Collaborating with community and corporate partners to accelerate women into positions of leadership.

Our Impact

Calgary Influential Women in Business Awards

Date: April 16, 2025 @ Telus Convention Centre
Attendees: 1,400 senior-level executives and business leaders

Annual celebration of Calgary's outstanding business leaders who have set the bar for professional excellence and a commitment to advancing diversity

Career Development Dialogues

Date: 6-8 times per year
Audience: 100-120 mid-to-senior level professional women

CDD workshops are designed to leave our members with resources, tools and new professional connections to support them as they progress in their careers.

Lunch With A Leader

Date: Monthly
Attendees: 12 mid-to-senior level professional women

Axis' mentorship program, LWAL is an intimate member engagement opportunity featuring lunch with an inspirational female executive.

Axis Connects Leadership Forum

The Axis Connects Leadership Forum is a highly engaging and interactive one-day summit focused on building community and offering professional development opportunities and resources to women and men at various career stages. Attendees can expect high caliber speakers, compelling discussions with some of Canada's top executive leaders and an end of day networking reception.

Sponsor Benefits

Enhanced Brand Visibility: Partners gain exposure and recognition through branding opportunities at our highly attended and well-established events leading to increased brand awareness among target audiences.

Employee Engagement: Partners can offer their employees opportunities for professional development and engagement, enhancing employee benefits and retention.

Reputation and Values: By supporting initiatives aimed at promoting gender diversity and supporting women's leadership, partners demonstrate their commitment to corporate social responsibility and community engagement, enhancing their standing as socially responsible organizations.

Tailored Engagement Opportunities: We offer customized opportunities for engaging with our community through events, workshops, mentorship programs, and collaborative initiatives tailored to meet specific business objectives and enhance employee engagement strategies.

Association with Impactful Change: By partnering with us, companies align themselves with initiatives that actively increase women's representation in senior leadership and Canadian boards. This association underscores their commitment to corporate social responsibility and supports their diversity and inclusion objectives.
